LAYOUT OPTIONS

Custom designs are a breeze with Cogan industrial storage lockers. Framed panels and multiple door and shelf options allow you to create a completely unique configuration for your needs. Lockers can open on both sides, while fixed shelves can create individual storage cabinets. The only limits are the ones you choose.

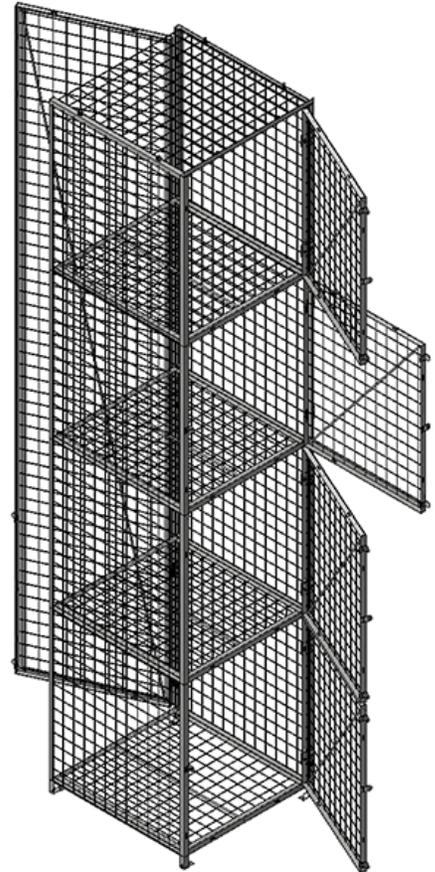

Layout Idea #1

Multiple doors with fixed shelves to create small secure storage areas

Layout Idea #2

Open upper section with adjustable shelf. Locking door on the bottom section with a fixed shelf to secure area

Layout Idea #3

Doors on both sides allows to fill in from one side and control access from the other side.
